Our Vision:

The vision of the Lebanon Valley Council on the Arts is to provide organization, leadership and a voice for the arts to transform people and communities. We believe that where there is art there is life... and envision a community where the arts are for everyone.

How You Can Help:

Your membership supports the continued efforts in funding educational arts opportunities in the Lebanon Valley. The Arts Center, located at the center of town serves as a hub for today's emerging and aspiring artists, and also serves as an important resource for the public to engage in artistic experience.
